

1. K-LOVE serves me in the local community by providing me with news updates of what is going on locally. They provide news updates along with a bulliten board of local concerts and events that I would be interested in.
2. I don't believe anyone else can provide the positive and encouraging music and insight to life that K-Love offers. So many people that I know are positively affected by K-Love. It's message is irreplaceable.
3. K-Love's service is in the public interest because what they do is 100% unselfish. What they do is spread the word of God. Spread the love of our savior Jesus. you can't put a value on that. When your life is in the dump and you don't know who to turn to, it is great to know that this radio station is there to lift you up and show you the true meaning of your life through God's eyes.
